

# Kunst auf der Platte

Von Künstler\_Innen gestaltete Schallplattencovers aus der Sammlung Othmar Zimmerleiter

Der Arzt und Kunstsammler Othmar Zimmerleiter begann vor etwa acht Jahren künstlerisch gestaltete Schallplatten-Covers zu sammeln. Die im Rahmen des Designsalons präsentierte Auswahl reicht von Covers aus den 1940er Jahren bis hin zu aktuellen Beispielen aus den letzten Jahren und macht deutlich, wie fruchtbar die Verbindung von Popmusik und Kunst ist. Die Qualität der künstlerischen Gestaltung und die unterschiedlichen Kunstrichtungen, die sich darin manifestieren, machen außerdem deutlich, dass Platten-Covers weit mehr sind als nur Verpackung.
